**RE: Voluntary Transfer of County Roads and Bridges
Informational Session – August 12, 2015 at 5:00 PM
Luzerne County Emergency Management Agency Building**

Dear Municipal Representative:

Luzerne County owns 9.84 miles of roadway and 13 bridges within Dennison Township's limits. It is Luzerne County's opinion that as the governing body of this municipality you have a better understanding of your citizens' transportation needs. At this time, Luzerne County requests that you take ownership of these roads and bridges, so that these roads and bridges can be taken care of as needed by the citizens of your municipality.

The Luzerne County Division of Operational Services will hold an informational session on this topic at 5:00 PM on Wednesday, August 12, 2015 at the Luzerne County Council Meeting room in the Courthouse located at 200 N. River Street, Wilkes-Barre, PA.

At this session, the County will have all information available including the estimated disbursement of Liquid Fuel monies should your municipality decide to begin discussion on a voluntary transfer. A representative from your municipality is strongly encouraged to attend this informational session.

Please review this letter and contact me with any questions or concerns. Thank you for your time and attention to this matter.

Respectfully submitted,

Tanis A. Manseau, P.E.
Division Head of Operational Services
